## **Apply On-line**

Staff members will be available to address questions and assist with applications at the J.W. McConnell Building (LB)  
1400 De Maisonneuve Blvd. West

## **Shuttle Buses**

Experience what it's like to be a Concordia student by shuttling back and forth between the campuses. Concordia's shuttle buses will be going between the two campuses the entire day. So, if you start your day seeing what's available at Loyola, you can easily hop the shuttle bus and get to Sir George Williams.

Shuttle buses will be leaving every 20 minutes from either campus starting at 10:00 a.m. and ending at 4:25 p.m.

### Tour the New Building (MB)

See Schedule

September 2009 marked the opening of the new John Molson School of Business building. As such, we will be offering guided tours through the day to show you our new home. LEED (Leadership in Energy and Environmental Design) certified, it is the first office building in the world to be electric and solar powered. State-of-the-art classrooms, an underground tunnel linking to the EV Building, wi-fi and study rooms throughout the building are but a few of the features of our new home. Sign up for a tour and see for yourself what the buzz is all about on the corner of Guy and De Maisonneuve!
